

European Youth Brass Band

Call for players for the 22nd EYBB,
Linz, Austria 2026

Når European Brass Band Association i april 2026 afholder EM for brassbands i Linz, Østrig, samles unge fra hele Europa i European Youth Brass Band.

Der er nu åbent for ansøgninger efter følgende regler:

Selection of players

All nominated players must be aged between 18 and 22 years, for the EYBB 2026. In practice that means that the nominees must be born after June 1 2004, and before April 1 2008.

The final playing positions within the band will be decided by the video auditions and a seating audition held from noon onwards on Saturday 18 April 2026

Dates

Saturday 18 April: Arrival of players and subsequent seating audition.

Details will follow selection of band.

Saturday evening: First rehearsal with the EYBB 2026.

Sunday evening 26 April: Time tba - departure from Linz and travel home.

Please note players must be available for the complete duration of the week.

No exceptions will be made.

Video auditions

Each nominated player must do a video performance or 'audition', so the Music Commission and local organiser can hear each player to ensure that the assessment and selection of players is based on musical proficiency when there is high competition for seats in the band – cornets are an obvious example.

The videos must not be edited, and the piece performed no longer than 3 minutes in total duration – 3 minutes is long enough to hear the capability of a player. The video should show off the best the player has to offer.

The videos do not need a piano or band accompaniment, but if it helps the player, this is fine.

The requirement for the video audition is not meant to be time-consuming, but purely a way of making the selection process for EYBB fairer.

Danske ansøgere bedes udfylde skema i googleforms her, hvor video også uploades:
